AHCA Requirements of Participation eCompetencies™

F726

Evidence-based digital competencies

An online program designed specifically to help skilled nursing facilities comply with F-Tag 726 under CMS' Requirements of Participation (ROP).

This program includes:
- An extensive library of **evidence-based skills checklists** that allows evaluators to assess and document staff skills in real time.
- **Videos** to aid in skill progression and remediation.

AHCA's ROP eCompetencies™ is a comprehensive competency tool that is interdisciplinary and relevant to all skilled nursing facility staff.
