# AHCA/NCAL Infection Control Certificate Program

## eLearning and eCompetencies™

### Includes COVID-19 Guidance

Designed for both skilled nursing and assisted living facility staff, the program features two main areas.

#### Five eLearning modules that provide basic knowledge in the following areas:

1. Infection Prevention and Control for All Staff
2. Coronavirus Disease (COVID-19)
3. Personal Protective Equipment (PPE)
4. Hand Hygiene
5. COVID-19: PPE Guidance for Use

#### Five eCompetencies™ with evidence-based digital checklists that allow evaluators to confirm step-by-step knowledge and competency for:

1. Personal Protective Equipment (PPE):  
Applying and Removing
2. Handwashing
3. Surgical Face Mask: Application and Removal
4. N95 Respirator Application and User Seal Check
5. Cleaning and Disinfecting Environmental Surfaces

Learn more and register for a demo:  
**AHCAInfectionControl.com**

**Questions?** Call (866) 323-4169 or e-mail  
ahcasales@healthcareacademy.com.

Providers that participate will also have access to a Provider Marketing Toolkit that includes a press release template, certificate of participation, and graphic/seal designed for use in marketing your facility's efforts and commitment to infection control.

Available for individual purchase by facilities (not individuals) at the following prices:

- For facilities with 0-200 Staff:  
**AHCA/NCAL Member** \$1,500.00  
**Nonmember** \$2,000.00
- For facilities with 201+ Staff:  
**AHCA/NCAL Member** \$2,000.00  
**Nonmember** \$2,500.00

Prices include unlimited facility use for one year from date of purchase. Prices may vary for existing Healthcare Academy clients, so members who are clients should check with Healthcare Academy prior to purchase.
